ABOUT COOKIES

What are cookies?

Cookies are small data files sent by a website’s server to a web browser, processor memory or hard drive and stored there. They can be used for a range of different purposes, such as customising a website for a particular user, helping a user navigate a website, improving that user’s website experience, and storing that user’s preferences and login information.

Essential and Non-essential cookies

Cookies can be classified as either ‘essential’ or ‘Non-essential’.

Essential cookies: these are cookies that are either:

- used solely to carry out or facilitate the transmission of communications over a network; or
- strictly necessary to provide an online service (e.g. our website or a service on our website) which you have requested.

Non-essential cookies: these are any cookies that do not fall within the definition of essential cookies, such as cookies used to analyse your behaviour on a website (‘analytical’ cookies) or cookies used to display advertisements to you (‘advertising’ cookies).

Session and Persistent Cookies

Cookies can be classified as either 'session' or 'persistent', depending on how long they last after they are placed on your browser:

Session cookies: session cookies last for as long as you keep your browser open. They expire when you close your browser.

Persistent cookies: persistent cookies expire at a fixed point in time or if you manually delete them from your browser, whichever occurs first.

First & Third Party Cookies

Cookies can be classified as 'first party' or 'third party':

First party cookies: these are cookies placed on your device by our website domain.

Third party cookies: these are cookies placed on your device by third party website domains. If you require further information about cookies in general, please visit www.allaboutcookies.org

You can block Facebook web tracking by installing a browser add-on tool called 'Disconnect Facebook pixel and FB tracking'. This will stop Facebook tracking you on third party websites. You can install the tool here:

- For Chrome: <https://chrome.google.com/webstore/detail/disconnect-facebook-pixel/nnknndeagapifodhlebifbgbonbfmInfm?hl=en>
- For Firefox: [https://addons.mozilla.org/en-GB/firefox/addon/facebook-disconnect/European Interactive Digital Advertising Alliance Tool](https://addons.mozilla.org/en-GB/firefox/addon/facebook-disconnect/European%20Interactive%20Digital%20Advertising%20Alliance%20Tool)

You can opt out of Facebook and other companies that participate in the Digital Advertising Alliance in Europe from showing you interest based ads by visiting <http://www.youronlinechoices.com>, selecting your country, clicking 'Your Ad Choices', then locating Facebook (and any other companies you want to block) and selecting the 'Off' option.

Legal basis for processing: we process information about you contained in or obtained from essential cookies in our legitimate interests (Article 6(1)(f) of the General Data Protection Regulation).

Legitimate interests: ensuring our site functions properly and providing you with online services you have requested.

GOOGLE ANALYTICS COOKIES

Google Analytics cookies are classified as first party cookies as they are set by our website domain, although Google collects and processes information from our use of Google Analytics. To find out more about how Google handles information collected from Google Analytics, see Google Analytics' privacy policy, which is available here: <https://support.google.com/analytics/answer/6004245>

For information on how Google uses data from cookies it uses, please visit www.google.com/policies/privacy/partners/

How to opt in or out from analytical cookies:

To opt out of Google Analytics tracking across all websites in general, you can do so here: <http://tools.google.com/dlpage/gaoptout>

Processing information about you contained in or obtained from analytical cookies

Legal basis for processing: we process information about you contained in or obtained from analytical cookies in our legitimate interests (Article 6(1)(f) of the General Data Protection Regulation).

Legitimate interests: analysing how individuals use our website to help us improve our website and business.

How to accept or reject cookies

There are a number of different ways in which you can accept or reject some or all cookies and web beacons.

You are welcome to block the use of some or all of the cookies we use on our website. However, please be aware that doing so may impair our website and its functionality or may even render some or all of it unusable.

You can find more detailed information about cookies and adjusting your browser settings by visiting www.allaboutcookies.org

Browser settings

You can accept or reject some or all cookies via adjusting your browser settings. If you do not know how to do this, the links below explain how to change your browser settings for the most commonly used web browsers:

Google Chrome: <https://support.google.com/chrome/answer/95647?hl=en-GB>

Mozilla Firefox: <https://support.mozilla.org/en-US/kb/delete-browsing-search-download-history-firefox?redirectlocale=en-US&redirectslug=Clear+Recent+History>

Microsoft Internet Explorer: <https://support.microsoft.com/en-us/help/278835/how-to-delete-cookie-files-in-internet-explorer>

Apple Safari: https://support.apple.com/kb/PH5042?locale=en_US

Opera: <https://www.opera.com/help>

Some browsers, such as Chrome and Firefox, allow you to change your settings to browse in 'incognito' mode, limiting the amount of data placed on your machine.

Existing cookies

To clear cookies that have previously been placed on your browser, you should select the option to clear your browsing history and ensure that the option to delete or clear cookies is included when you do so.

Google Ad settings

You can manage and opt out of personalisation of advertisements by Google by visiting Google's ad settings page here and by:

- Unticking the button entitled 'Also use Google Account activity and information to personalize ads on these websites and apps and store that data in your Google Account'; and
- Switching the 'Ads Personalisation' setting off (i.e. by ensuring the switch at the top of the page is set to the left/grey and not the right/blue).

Alternatively, you can install a free browser plugin here:

<https://support.google.com/ads/answer/7395996>

Google Analytics Opt-out Browser Add-on

You can opt out of Google Analytics tracking by installing the browser add-on which is available here.

OTHER LINKS TO EXTERNAL WEBSITES

Visitors are provided with the option to navigate to a variety of external websites where we have a presence. When the visitor selects the option to view the content from these websites, they are taken away from the website and to the other site, where a variety of cookies may be used throughout the visit.
